

Exploring Our Worlds

PCC Learning Session 2 Homework #2

Goal: To discover and learn how diversity affects your workplace, and to develop deeper relationships through these discoveries.

Description: Talk with at least three peers in the nursing home who were born outside the United States. Find out where they are from and about their journey to the United States.

- What was their country of origin like?
- What prompted their journey to the United States?
- What was their journey here like?
- How does their heritage shape them?
- What is it like for them to be here in the United States?
- Do they still have family there?
- Do they have family here?

Or

If you and your family have lived here for several generations, consider:

- What was your country of origin?
- What prompted your family's journey to the United States?
- What was their journey here like for them?
- How does their heritage shape you?

Look up information about their country of origin on the Internet. Find out where it is and what is it like.
